#### **INDEPENDENT AUDITORS' REPORT**

To the Member VCM Securities, LLC New York, New York

We have audited the accompanying statement of financial condition of VCM Securities, LLC as of December 31, 2007, that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of VCM Securities, LLC's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such statement of financial condition presents fairly, in all material respects, the financial position of VCM Securities, LLC as of December 31, 2007 in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic statement of financial condition taken as a whole. The information contained in Schedule I is presented for purposes of supplemental analysis and is not a required part of the basic financial statement, but is supplemental information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the same auditing procedures applied in the audit of the basic financial statement and, in our opinion, is fairly stated in all material respects in relation to the basic financial statement taken as a whole.

### VCM SECURITIES, LLC NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2007

#### NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS:

VCM Securities, LLC ("VCM"), a single member limited liability company, was formed on August 17, 2006 in the state of New York and began limited operations on March 2007 and is a wholly-owned subsidiary of Vyapar Capital Market Partners LLC (Parent). VCM is a broker-dealer registered with the Securities and Exchange Commission and the State of New York, and is a member of the Financial Industry Regulatory Authority ("FINRA"), and is engaged primarily as a broker of fixed income securities.

VCM is an introducing broker and does not carry security accounts for customers, execute trades, or perform custodial functions relating to customer securities and, accordingly, is exempt from the provisions of the Securities and Exchange Commission rule 15c3-3.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

VCM's accounting policies are in accordance with accounting principles generally accepted in the United States of America. Outlined below are those policies considered particularly significant.

#### (a) Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

#### (b) Income Taxes:

The Company as a single member LLC is a disregarded entity for tax purposes and is included in the consolidated income returns filed by its Parent. Accordingly, no provision or benefit for income taxes is reflected in these financial statements.

#### (c) Fair Value of Financial Information:

As of December 31, 2007, the carrying amount of cash, accrued expenses and other liabilities and payable to Parent approximate fair value because of the short-term maturities of these items.

#### (d) Cash and Cash Equivalents:

For the purposes of the Statement of Cash Flows, VCM has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business. VCM considers money market funds to be cash.

VCM maintains cash in bank accounts which, at times, may exceed federally insured limits. VCM has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

### VCM SECURITIES, LLC NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2007

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

#### (e) Commission Revenue:

Commission revenue is recorded when earned.

#### NOTE 3 - NET CAPITAL REQUIREMENTS:

VCM is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the applicable exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). As of December 31, 2007, VCM had net capital of \$213,404 which was \$208,404 in excess of its required minimum net capital of \$5,000. VCM's net capital ratio was .086 to 1.

#### NOTE 4 - RELATED PARTY TRANSACTIONS:

In December 2006, VCM entered into a Service Agreement ("Agreement") with its Parent whereby the Parent will provide administrative services and support functions to VCM. For the year ended December 31, 2007, these services totaled \$13,225. At December 31, 2007, \$9,648 was due to Parent.

#### NOTE 5 - MARKET AND CREDIT RISKS:

VCM's trading activities consist of executing securities transactions on a riskless principal or give up basis. Substantially all transactions settle within three business days for cash. VCM has a policy for reviewing, on an ongoing basis, the credit standing of its counterparties, which are primarily financial institutions.

#### NOTE 6 - CLEARING AGREEMENT:

In January 2007, VCM entered into a Clearing Agreement with a "Clearing Broker" ("Broker") for a three year term. Under the terms of this agreement VCM was charged a monthly service fee of \$10,000. In November 2007, VCM terminated this agreement and incurred a termination fee of \$25,000 which was recorded as a trade expense in fiscal 2007.

#### NOTE 7 - OTHER INCOME

During fiscal 2007, VCM received a non-recurring payment of \$35,000 in connection with the merger of the regulatory functions of the New York Stock Exchange and the National Association of Securities Dealers.

### INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17A-5 FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3

To the Member VCM Securities, LLC New York, New York

In planning and performing our audit of the financial statements and supplemental schedules of VCM Securities, LLC ("VCM"), for the year ended December 31, 2007, we considered its internal control in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements but not for the purposes of expressing an opinion on the effectiveness of the company's internal control. Accordingly, we do not express an opinion on the effectiveness of the company's internal control.

Also, as required by Rule 17a-5 (g) (1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by VCM that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a) (11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because VCM does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by VCM in any of the following:

- 1. Making quarterly securities examinations, counts, verifications, and comparisons and Recordation of differences required by Rule 17a-13.
- 2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of VCM is responsible for establishing and maintaining an internal accounting control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute, assurance that assets for which VCM has responsibility, are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17A-5 FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15C3-3 (CONTINUED)

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that VCM's practices and procedures were adequate as of December 31, 2007 to meet the SEC's objectives.

This report is intended solely for the information and use of management and the Securities and Exchange Commission, Financial Industry Regulatory Authority ("FINRA") and other regulatory agencies, that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be, and should not be, used by anyone other than these specified parties.
